

# The Warriors' Day Parade

August 20, 2022 – CNE, Toronto, Ontario, Canada

Beginning in 1921, The Warriors' Day Parade has taken place in August during the opening weekend of The Canadian National Exhibition (CNE) in Toronto, Ontario, Canada. The longest-running annual parade of its type, The Warriors' Day Parade is an important Canadian tradition and a very significant event for our Veterans, the brave men and women who currently serve in the Canadian Armed Forces, their families and the general public.

The Warriors' Day Parade is a unique and spectacular event that includes the colour, sound and traditions of our military. Since 1921, the Parade has provided an opportunity to celebrate our military victories. For participants and spectators, it is an opportunity to honour our fallen and to show deep appreciation for the priceless gift of freedom given to us by our Veterans and members of the Canadian Armed Forces.

Each year we are honoured to welcome many contingents from the United States of America and other allied nations. Our allies have supported the parade every year since its inception 101 years ago!

Participation in the Warriors' Day Parade is open to the military, first responders, para-military marching contingents & bands, Veterans' contingents and military-themed living history/re-enactor contingents.

All members of the public are invited to view the Parade along its route at the CNE.

If you have not attended The Warriors' Day Parade before, you are in for a very special experience. If you have participated previously we sincerely welcome you back.

We look forward to seeing you in August!
